Vision for Retreat

The idea for an Institute Alumni Retreat began in 2014. This idea was born out of a desire for meaningful community and an unwillingness to let the Renovaré community end after the Institute. While it has taken some time with many twists, turns, and cliff-falls, we are here – a community. What we will become is up to us.

Unlike a conference or an information-driven retreat experience, this time together arises out of a passion to be with God and with one another in meaningful community. Space is deliberately carved out for time alone with God and meaningful experiential time together through spiritual practices, small group interaction and lots of laughter.

We want to make the Alumni Institute Reunion about the Alumni, for this is our community. We have remarkable, gifted people among us and we would like to give those who desire an opportunity to use their gifts during our time together. Here are some ways that you could participate in leading or serving during the retreat, we'd love to hear from you.

- Spiritual Directors
- Prayer leaders
- Communion leaders
- Spiritual Exercise leaders
